Applicant submits this paper to supplement the October 6, 2004 response to the June 10, 2004 Office Action in the above-referenced patent application.

The office action summary for the June 10, 2004 Office action indicates that that Office action is both final and non-final. The Office action itself appears to be non-final. It is Applicant's understanding, pursuant to a prior phone conversation between the Examiner and Donald R. Holland, that the June 10, 2004 Office action is a non-final office action. If this understanding is incorrect, Applicant requests that the Examiner call the Undersigned immediately.
